HIGH SCHOOL MUSICALE

The Ladies of Vivaldi's Venice

Join us for Carnival in Venice, where nobles from all over Europe gathered for a show, Vegas-style! One of the most coveted tickets was at an unlikely spot: a school for young women with one of the best orchestras in Europe, led by the "Red Priest" Antonio Vivaldi. We celebrate the spirit of the season, Vivaldi's talented musicians, and a composer who changed 18th-century music.
